

## Movie Viewing Policy

Immanuel Lutheran Church requires parental permission for your child to view movies which are rated PG-13. These movies will be used for educational purposes at Immanuel including, but not limited to: Confirmation, Sunday school, FORCE, BLAST, and SWAG.

We believe showing your child movies with educational content enables them to benefit from another medium as a resource in the study of their religion and faith. Movies of this sort provide an opportunity for learning and discussion within the group.

Be assured we will use proper discretion when choosing and showing the movies. Immanuel pastors, Sunday school teachers, youth director and adult leaders do not advocate or subscribe to the content of the movies, but value this as an educational opportunity. When at all possible, all movies viewed will be previously viewed and/or reviewed to assure appropriateness.
